GENERAL INFORMATION

The summer school for 1969 will operate in one session of two terms of five weeks each.* Students may take two courses each term, and one physical activities course in either the first or second term. Ordinarily thirteen semester hours may be earned.

No changes in schedule will be permitted after the close of classes on Wednesday of the first week of each term. In every case such changes will require the Dean's approval, and a fee of \$2.00 will be charged.

College facilities will be available only to students registered for not less than four semester hours of work.

The residence halls will be available only to students enrolled for not less than four semester hours of work.

Neither academic probation nor suspension may be removed by credit earned in workshops or institutes.

All college regulations which apply to students during the regular academic year, with exceptions noted above, will apply to the summer session.

Class Attendance Regulations

Students are expected to attend all classes, but where absences occur they will follow the regulation governing attendance during the regular session. A student on scholastic probation will be dropped with a grade of F if he has two unauthorized absences in a class.

Admission and Room Reservation

All students who plan to attend and who are not now attending the regular session should fill in the blank on the back cover of this bulletin and return it to the Director of Admissions requesting a regular application form. All others will simply pay the usual deposit at the time designated.

A student who is attending another college and plans to be here for the summer school only should have a statement of good standing sent from that college to the Director of Admissions of Alabama College at least a week prior to the opening date of summer school. No transfer student may be admitted until an official transcript from the institution from which he is transferring has been received and approved.

Registration

Registration for the first term will be held Monday, June 9, and registration for the second term will be held Monday, July 14. No student will be permitted to enroll after the begin-

*Students who plan to attend the full summer session will register and pay fees for both terms on Monday, June 9, 1969.

ning of classes without special permission of the Dean of the College. If such permission is granted, a late registration fee will be charged.

COST OF ATTENDANCE

*Room, board, per term	\$125.00
Sales tax on board, per term	1.80
College and credit hour fee, per term	60.00
<hr/>	
Total cost per term	\$186.80
Out-of-state fee, per term	\$ 50.00

It should be noted that no additional laboratory, activity, or other special fees are charged, except for private music lessons and musical instruments as indicated by catalog sections dealing with music programs. This system of summary charges is used by Alabama College because it presents accurately the charges made to students. This fact should be borne in mind when considering cost comparisons where varied and special charges are made.

When a student registers for less than five hours, he will be charged at the rate of \$12.50 per semester hour, with a minimum charge of \$25.00.

Music fees:

Applied music carries the college fee plus a charge of \$28.00 for each term.

For cost of attending the elementary or high school see pages 7 and 14.

For cost of attendance for special workshops and institutes listed on pages 6-7 to be held during the summer school, write to the director of the workshop or institute in which you are interested. The charges will include tuition, room, board, and medical services. The participant will provide his own bed linens and towels.

Refund of Fees

No fees except those for room and board will be refunded to those students who withdraw after completing their registration for a summer school term.

A student who withdraws before completion of a term is charged \$4.00 per day for room and board from the opening

*Charges are based on two occupants in a room. An additional charge will be made when a student occupies a room to himself. These charges are based on the assumption that students bring their own linens.

of the term until notice of his withdrawal is received by either the Dean of Men or Dean of Women.

COURSES OFFERED

Courses are offered in art, biology, business administration, chemistry, economics, education, English, foreign languages, geography, geology, history, home economics, mathematics, music, physical education, physics, political science, psychology, sociology, and speech.

Introduction of New Courses and Elimination of Announced Courses

The right is reserved to introduce new courses for which there is adequate demand and to eliminate courses for which the enrollment is insufficient. Ten students per class is the minimum enrollment except in special cases.

Teachers Certificates

Requirements for the issuance and reinstatement of the several types of Alabama teachers certificates may be met by work completed in summer school. Those interested in securing a certificate through summer school work at Alabama College may obtain full information from the Summer School Director. Those interested in reinstating a certificate are requested to bring their old one with them.

THE GRADUATE DIVISION

Alabama College offers a program of graduate study in elementary and secondary education with majors in the following fields: American studies, biology, counselling and guidance, education, English, general science, home economics, history, mathematics-physics, physical education, psychology, speech and speech correction. This program leads to the degree of Master of Arts in Teaching.

Admission to the Graduate Division is based on an acceptable average on undergraduate work, and/or a satisfactory score on the Graduate Record Examination. The Aptitude and Area Tests are required. Graduate Record Examinations are given several times each year in Alabama. Those entering the Division before the Graduate Record Examinations scores are available will be admitted on a tentative basis only. Undergraduate credit only will be granted for courses when admission requirements are not met.

The Graduate Record Examinations for admission for those working towards a degree will be given on the campus on June

9 and 10. Examinations are required of all applicants who enroll for work towards the degree. A fee of \$5.00 will be charged, and applicants will be admitted to the examinations only upon presentation of a receipt from the Business Office.

Those desiring to begin graduate work this summer should write for the graduate bulletin and for an application blank to enter the graduate program. It is important to complete the application and return it to the Director of Admissions, and have official transcripts of all undergraduate credits sent at least two weeks before the opening of the summer session.

In the description of courses given in this bulletin to be offered this summer, courses numbered 300 and 400 which are marked with an asterisk (*) are open to both graduate and undergraduate students and will carry undergraduate or graduate credit. Courses numbered 500 are open only to graduate students and will carry only graduate credit.

Pupils Eligible for Montevallo Public Schools — Costs — Living Arrangements

A limited number of pupils from outside the town of Montevallo can be accepted in both the elementary and the high school. Pupils of parents attending summer school at Alabama College will be given preference in attending these schools. Elementary school pupils will be charged a registration fee of \$15.00, and pupils in the junior and senior high schools will pay registration fees of \$20.00 and \$25.00 respectively.

WORKSHOP IN CREATIVE DRAMATICS

June 9-21

The workshop in Creative Dramatics is an intensified course with concentration on creative play-making as a basic means of stimulating creative thinking, especially with children. The objectives are: first, to revitalize the creative imagination of adults who will be responsible for childhood development; second, to provide techniques for such development; third, to demonstrate the use of creative dramatics with children. The workshop is the combined products of Rita Criste, national authority on creative drama and theatre for children, and Willilee Trumbauer, Speech Department, Alabama College. May be audited or taken for undergraduate or graduate credit. (Speech 420, 3 hours)

WORKSHOP IN THE TEACHING OF READING

June 9-21

With emphasis on phonics, attention is given to the selection and effective use of instructional material and to the solu-

tion of problems encountered in teaching reading. The workshop meets daily except Sunday from 8:00 a.m. to noon on the dates listed above. May be audited or taken for undergraduate or graduate credit. (Education 402, 3 hours)

WORKSHOP IN BASIC TESTING FOR SPEECH AND HEARING PROBLEMS

July 14-26

Course includes interpretation of normal speech and hearing development with demonstration and supervised practice in basic screening procedures for deviations in communication skills, together with the consideration of follow-up procedures. The course is structured to meet needs of public health nurses,¹ classroom teachers, social workers, and supervising personnel in education and social agencies. May be audited or taken for undergraduate credit. (Speech 480, 3 hours)

NUTRITION WORKSHOP

June 9-21, two hours credit

June 9-28, three hours credit

The workshop is planned for teachers who are interested in understanding basic concepts of nutrition and methods of generalizations, learning experiences and audio-visual aids in home economics courses. Emphasis will be given to implications of recent research for the teaching of nutrition to secondary school pupils and to adults in the community. Prerequisite: Graduate standing. (H.E. 560)

SPEECH AND HEARING CLINIC

June 9-July 12

Alabama College will provide living accommodations for a limited number of elementary and high school students with speech and hearing defects. The five-week clinic affords for these students the therapy so vital to them and, at the same time, provides opportunity for supervised therapy training for speech correction majors and for observation to other interested professional personnel.

For further information write to Dr. Laura Wright, Alabama College.

(1) Public health personnel only complete second week in the field.

DEPARTMENTAL OFFERINGS

Courses numbered 100 through 400 are open to undergraduate students. Courses numbered 300 and 400 which are marked with an asterisk (*) may be taken by graduate students for graduate credit. Courses numbered 500 are open only to graduate students.
